

Transport carts

Transport carts

- Transport carts are supplied with handles for maneuverability.
- Open transport carts can be equipped with lockable bars.
- Truck coupling devices available.
- Aluminium container carts can be equipped with various panels, for straight insertion, or combination of angled and straight insertions.
- All aluminum container carts are equipped with lockable doors.
- **Please be aware of that all shown modules in transport carts are extra.**

① Transport cart – R-10

Art. no. 14-64881

10 sets of VARIO supporting rails
For modules – Insertion A
Measurements of Transport cart:
625x700xH 1520mm
(25³/₈x27¹/₂x62")
Wheels: dia. 125mm (5") - 4 swivel

① Transport cart – R-20

Art. no. 14-64882

2x10 sets of VARIO supporting rails
For modules – Insertion AA
Measurements of Transport cart:
1060x700xH 1520mm
(41³/₄x27¹/₂x60")
Wheels: dia. 125mm (5") - 4 swivel

② Transport cart – R-30

Art. no. 14-64883

3x10 sets of VARIO supporting rails
For modules – Insertion AAA
Measurements of Transport cart:
1500x700xH1600mm
(59x24¹/₂x63")
Wheels: dia. 200mm (8")
2 swivel and 2 fixed

② Transport cart combined - L10 - Art. no. 14-64885

10 sets of VARIO supporting rails.
For modules – Insertion A
3 fixed melamine shelves
835x645mm - (32⁷/₈x25³/₈")
Measurements of Transport cart:
1500x700xH1600mm
(59x24¹/₂x63")
Wheels: dia. 200mm (8")
- 2 swivel and 2 fixed

Accessories for open transport carts

① **14-64786 - Cover in nylon**
(for R-10 14-64881)

14-64787 - Cover in nylon
(for R-20 14-64882)

14-64788 - Cover in nylon
(for R-30 14-64883)

Velcro closing system and fasteners
on all four corners

② **14-99001 Transport cart**
for height adjustable runners

(16-71603 right) - (16-71604 left)
for fitting in angled position

(16-71601 right) - (16-71602 left)
for fitting in horizontal position

③ **14-64797 - Lockable bar**
prevents unauthorized removal of trays
and modules.
Stops can optionally be mounted
on the back (14-64800)

④ **14-64797L - Bar lock**
Strong and durable lock that prevents
non-authorized persons from accessing
the contents of the transport modules

① **15-61714 - 1 section ALU-container cart with "horizontal" panels**

15-61704 - 1 section ALU-container cart with VARIO panels

Dimension: H1575xW555xD794mm (62x21⁷/₈x31¹/₄").
 Wheels: 160mm (6¹/₄") - (2 swivel with brakes and 2 fixed).
 A vertical handle bar at each corner.
 A base and 4 corner bumpers.
 Optional top bumper.
 Door opens to 270°.
 Optional customized truck-pull.

② **15-61715 - 2 section ALU-container cart with "horizontal" panels**

15-61705 - 2 section ALU-container cart with VARIO panels

Dimension: H1575xW984xD794mm (62x38³/₄x31¹/₄").
 Wheels: 160mm (6¹/₄") - (2 swivel with brakes and 2 fixed).
 A vertical handle bar at each corner.
 A base and 4 corner bumpers.
 Optional top bumper.
 Door opening: 270°.
 Optional customized truck pull.

③ **15-61716 - 3 section ALU-container cart with "horizontal" panels**

15-61706 - 3 section ALU-container cart with VARIO panels

Dimension: H1575xW1408xD794mm (62x38³/₄x31¹/₄").
 Wheels: 160mm (6¹/₄") - (2 swivel with brakes and 2 fixed).
 A vertical handle bar at each corner.
 A base and 4 corner bumpers.
 Optional top bumper.
 Door opening: 270°.
 Optional customized truck pull.

Closed transport carts

① Panels

for horizontal insertion

Produced with vacuum-formed ABS.

SMS containers and baskets measuring

L600xW400 (23⁵/₈x15³/₄"

or L300xW400mm (11³/₄x15³/₄"

can be inserted

② VARIO panels for angled/straight insertion

Produced with injection-moulded ABS.

SMS containers and baskets measuring

L600xW400 (23⁵/₈x15³/₄"

or L300xW400mm (11³/₄x15³/₄"

can be inserted

③ 18-69970 Roller Support Wheel for VARIO panels

For use with heavy items

④ 19-61870 Stop-clips

Prevent the modules from falling out of the VARIO panels

⑤ SMS ALU-container carts

are equipped with lockable doors

⑥ 160mm (6¹/₄") wheels

(2 swivel with brakes

and 2 fixed) and bumper
